

McCarthy Family Donor Profile

Brian and Jamie understand the importance of investing in their parish. They give extensively through several service and leadership roles as well as financially to the St. Gabriel's Capital Campaign, the Diocesan Appeal and general parish support through their fund at The Catholic Foundation.

The Brian and Jamie McCarthy Family Charitable Fund is also used to support Catholic Radio, McKinney Community Food Pantry and Samaritan Inn. All of the McCarthy's charitable giving receipts are conveniently documented in one place come tax time.

The McCarthys track the consistency of support for their favorite organizations over the years through the fund. Brian and Jamie like the idea of working with The Catholic Foundation now, knowing we will continue to aid the Catholic community even after they are gone.

Brian, Marketing Manager for Texas Instruments, and Jamie, a stay-at-home mom, are truly setting an example for their five children to selflessly give of their own resources to help others in need.
